2015 A YEAR OF MANY BLESSINGS from God, at CWH-Tobiah Home.

When we reflect back on the goodness, mercy, and provision of God, we lift up hands to thank God for how far He has taken us and is taking us! We have enjoyed love, peace, unity, and meeting all physical needs. With all this nourishment, I want to take this time to thank God, the CWH Co-Founders - the Seagrens, the US Administrator Shellie, and the entire US board as well as the society members, for their commitment. **I want**

to thank you, the Donors, who are the engine of the ministry for your tireless support toward this home. I want to thank the Kenyan staff, and our children. As a team we have made it together. Let us commit to this good work this year! Praise be to our God!

Asante Sana, Peter - Executive Director/House Dad

LOOK AT YOUR GENEROSITY!

\$15,419

The 2015 Christmas Book of wishes was a SUCCESS because of what God did through your generosity!
Let the celebration begin - Praise JESUS!

In just a month and a half YOU - our CWH Supporters - raised \$15,419 through the Christmas Book of Wishes! Words cannot describe our appreciation for you and your giving hearts! We are so excited to see how God will use each gift provided throughout the next year. To the CWH-Tobiah Home children you gave nutrition, support for education and music education, fun toys for development, household items, truck tires, supplies for maintenance and building projects, and child sponsorship. **WOW - so amazing and we thank God for each of you!**

AMAZING GRACE!

In loving Memory of Rachel

As many of you may know, our little one Rachel passed away in November, just before my dad and I traveled to Eldoret. We had the privilege to participate in Rachel's funeral and saw the love of our Kenyan staff and Board members, the Tobiah Home children, and most of all, Rachel's mom and dad - Maryann and Peter.

Rachel came to CWH - Tobiah Home about three years ago. We initially were told that while she had been ill, she would be a relatively "normal" child. We soon learned that the illness, and most likely the very high fever that accompanied it, resulted in severe damage to Rachel's brain. We realized that Rachel's time on earth would likely be short and very early on that November morning the Lord took Rachel to be by His side. Peter and Maryann and others loved Rachel every day she was at Tobiah Home. Rachel was cherished by her 28 siblings and by her new parents and the Tobiah Home staff. The healing that was prayed for, God answered with an eternal "yes". Rachel is no longer in pain. She is healed completely - physically and mentally. The loss felt by Peter and Maryann and her siblings while very real, is comforted by the knowledge of Rachel's ultimate healing and that she is now with her Heavenly Father. We thank God for the time we had with Rachel - the lessons learned and the love given. Rachel's life was short, but it was a life that impacted all those at CWH - Tobiah Home. We thank the Lord for the time He blessed us with Rachel!
